

Revelation Perth International Film Festival 2010

November 26th, 2009

To Whom It May Concern

I am writing regarding Revelation Perth International Film Festival's experience of working with Kathy Corecig and the group Viola Dana who performed a live soundtrack for the 1927 Buster Keaton film *The General* at the film festival in July 2009. The first of only two live soundtrack events at Revelation this year the screening was a great success. It attracted one of the festival's largest audiences, drawn from a broad cross section of the community, from children to film buffs, from families to international guests, all of whom thoroughly enjoyed the event - which received a standing ovation!

Their performance was an exceptional quality and their addressing of technical and logistic details was of a high order, ensuring the delivery of a high quality and meaningful event.

It is my understanding that Corecig and Viola Dana are planning to develop other similar events, and having worked so successfully with them in 2009 I would certainly consider future collaborations with the group.

Please do not hesitate to contact me should you require any additional information or wish to discuss the matter further.
